**Michéal Castaldo Releases “Everything Happens for a Reason”
as a New Dance Club Remix Digital Single**

Vital Records—in partnership with Tony Moran’s label, mr. tan man music—is proud to announce a Dance Club digital single of “Everything Happens for a Reason – Una Ragione,” performed by Michéal Castaldo.

With this digi-release (remixed By Tony Moran & Warren Rigg), Castaldo goes beyond his many Classical Crossover achievements and reclaims his illustrious history in the dance music world. He has worked effectively with Billboard-charting artists that include Jose Feliciano, Martha Wash, Wendy Moten and Sorella.

The single’s release date is April 1, 2016 when it will be serviced to radio stations in North America and Europe. The club mix and its radio edit will be available in English, Italian, and bilingual versions on Amazon.com, iTunes, Spotify, and other online music venues worldwide.

Adding his own personal magic to the dance remix—and sharing vocals with Castaldo—is producer, DJ and remixer Moran (a two-time Grammy Award nominee of the famed Latin Rascals). Moran’s remixing artistry helped Gloria Estefan, Cher, Deborah Cox, and Donna Summer chart on Billboard. Moran’s collaborator—programmer, producer and remixer, Warren Rigg—is well-known not only for the team’s many achievements, but also for his own work with such major artists as Donna Summer.

This “Everything Happens for a Reason” Dance Club remix builds on the original song, written by Billboard-charting writers Mike Greenly (ASCAP) and Paul Guzzone (BMI). It includes the bilingual version, “Una Ragione,” which was co-written with Michéal Castaldo (SESAC) and offers an irresistible rhythmic beat to dance club crowds. On the remix, Castaldo shares vocals with Moran.

In support of this dance remix, a video filmed and edited by David Hondel has been filmed on the streets of Manhattan and launched one week prior to the release of the single. It will be available on Youtube and Vimeo.

“This song and its universal inspirational message is to take things in stride and be positive in difficult times, because everything happens for a reason,” Castaldo explains. “We’ve heard this phrase used so often by so many people, even saying it ourselves at times, although we may not immediately understand the reason. The new dance club single is being released to help the widest possible audience truly experience a sense of relief from and be energized by this beautiful, meaningful song.”

Castaldo, who resides in New York City, is the executive producer and founder of Majestic Castle Music Productions. He co-wrote and produced the Billboard-charting dance hit “Goin' Krazy” for six-time Grammy award-winning artist Jose Feliciano. He also remixed the Billboard-charting dance hit “Listen to the People” for award-winning dance diva Martha Wash. As an artist, Castaldo has performed at Carnegie Hall, Lincoln Center, the Rainbow Room, Shea Stadium, Citi Field, Toronto’s Queen Elizabeth Theatre, and Italy’s Teatro F. Cilea and Pescara Opera House.

He began singing in church when he was nine years old and went on to study music at Berklee College of Music in Boston. His passionate performances consistently transport audiences to his native Italian world of beauty and sweeping romanticism. Many of Castaldo’s loyal fans fervently believe that his voice has actual healing powers.
